

Speaking Engagements with Peggy L. Koller, MSFFE, CFE, MAFF

Revealing the truth hidden in the numbers

About the Speaker

Peggy Koller is the founder and principal consultant of Veritas Consulting & Analytics. With more than 40 years of accounting and financial analysis experience, including over a decade dedicated to forensic accounting and fraud examination, she is a Certified Fraud Examiner (CFE) and Master Analyst in Financial Forensics (MAFF) with a Master of Science in Forensic and Fraud Examination from West Virginia University.

Peggy is a trusted speaker who makes complex financial concepts clear and practical. Her engaging style ensures audiences walk away with insights they can immediately apply in litigation, business, and professional settings.

Topics Offered

- Forensic accounting in civil and criminal litigation
- Fraud schemes and red flags attorneys and businesses need to know
- Normalization of business owner income in divorce cases
- Economic damages and rebuttal analysis
- Preparing for and working with a financial expert witness
- Internal control weaknesses and fraud prevention strategies

Formats Available

- Keynote presentations
- Bar association events & legal conferences
- Professional association meetings & panels
